

Business Continuity And Disaster Recovery Plan Policy

The Board recognize the importance of business continuity and disaster recovery plans and accordingly has devised these plans as per the best global practices. These plans prescribe the recommended procedures in the event of an actual emergency situation. The principal objective of these plans is to develop, test and document a well-structured and easily understood plan which will help the Company in avoiding any interruptions in the business operations and recover as quickly and effectively as possible from an unforeseen disaster or emergency.

Further, the Company has comprehensive insurance cover in case of any catastrophic incident to indemnify it against any loss.
