

Policy on Governance of Risk and Internal Controls

The Board of Directors has established an effective system of internal controls to ensure that business is conducted efficiently, assets of the Company are protected and financial statements are reliably presented. The Company has a competent and independent internal audit team that evaluates the application of financial controls periodically. The Company's risk management team is tasked to assess and reduce risks in order to safeguard shareholders' interests. Risk assessment is performed regularly to create a good understanding of the Company's key risks and take any relevant measures to address them.
